INNER COMPASS INITIATIVE PRESENTS MEDICATING NORMAL

Saturday, October 17, 2020

Schedule: 12:00 pm ET - Welcome & Film Screening (76-min run time)
1:15 to 2:45 pm ET - Post-Screening Community Discussion

Details & Registration: bit.ly/icipresentsmedicatingnormal

Post-Screening Community Discussion Panelists:

Robert Whitaker, science journalist and publisher of [madinamerica.com](https://www.madinamerica.com)

Mark Horowitz, training psychiatrist and academic who learnt about the difficulty of coming off psychotropic medications firsthand and is now trying to spread understanding of how to safely deprescribe and prescribe these medications

Angela Peacock, MSW, former U.S. Army Sergeant, subject of the film

Laura Delano, Executive Director of Inner Compass Initiative, former psychiatric patient; will facilitate the discussion

**INNER COMPASS
INITIATIVE**

This event is hosted by Inner Compass Initiative (ICI), a tax-deductible 501(c)(3) nonprofit organization. Half of all proceeds from this event will go towards ICI's fall fundraising drive. Learn more about us at www.theinnercompass.org.
